

# **Rural Health Indicators Project**

## **Comparison of specific Independent Urban Areas within three District Health Boards**

### **Report Three**

**Prepared by New Zealand Institute of Rural Health**

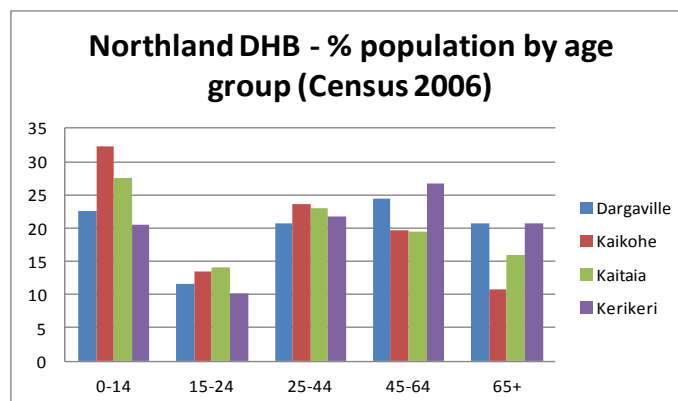

## List of Figures

- Figure 1 - Northland DHB - % population by age (Census 2006) for Dargaville, Kaikohe, Kaitaia and Kerikeri
- Figure 2 - Northland DHB - % population by gender (Census 2006) for Dargaville, Kaikohe, Kaitaia and Kerikeri
- Figure 3 - Northland DHB - % population by ethnicity (Census 2006) for Dargaville, Kaikohe, Kaitaia and Kerikeri
- Figure 4 - Northland DHB - % population by Deprivation Score (Census 2006) for Dargaville, Kaikohe, Kaitaia and Kerikeri
- Figure 5 - Northland DHB Cardiovascular Disease per 100,000 populations (2005 -2009)
- Figure 6 - Northland DHB Cardiovascular Disease per 100,000 populations (2005 -2009) for Dargaville, Kaikohe, Kaitaia and Kerikeri
- Figure 7 - Northland DHB Malignant Disease per 100,000 populations (2005 -2009)
- Figure 8 - Northland DHB Malignant Disease per 100,000 populations (2005 -2009) for Dargaville, Kaikohe, Kaitaia and Kerikeri
- Figure 9 - Northland DHB Renal Disease per 100,000 populations (2005 -2009)
- Figure 10 - Northland DHB Renal Disease per 100,000 populations (2005 -2009) for Dargaville, Kaikohe, Kaitaia and Kerikeri
- Figure 11 - Northland DHB Respiratory Disease per 100,000 populations (2005 -2009)
- Figure 12 - Northland DHB Respiratory Disease per 100,000 populations (2005 -2009) for Dargaville, Kaikohe, Kaitaia and Kerikeri
- Figure 13 - Waikato DHB - % population by age group (Census 2006) for Matamata, Te Kuiti, Tokoroa and Waihi
- Figure 14 - Waikato DHB - % population by Gender (Census 2006) for Matamata, Te Kuiti, Tokoroa and Waihi
- Figure 15 - Waikato DHB - % population by Ethnicity (Census 2006) for Matamata, Te Kuiti, Tokoroa and Waihi
- Figure 16 - Waikato DHB - % population Deprivation Score (Census 2006) for Matamata, Te Kuiti, Tokoroa and Waihi
- Figure 17 - Waikato DHB Cardiovascular Disease per 100,000 populations (2005 -2009)
- Figure 18 - Cardiovascular Disease per 100,000 populations (2005 -2009) for Matamata, Te Kuiti, Tokoroa and Waihi
- Figure 19 - Waikato DHB Malignant Disease per 100,000 populations (2005 -2009)
- Figure 20 - Malignant Disease per 100,000 populations (2005 -2009) for Matamata, Te Kuiti, Tokoroa and Waihi

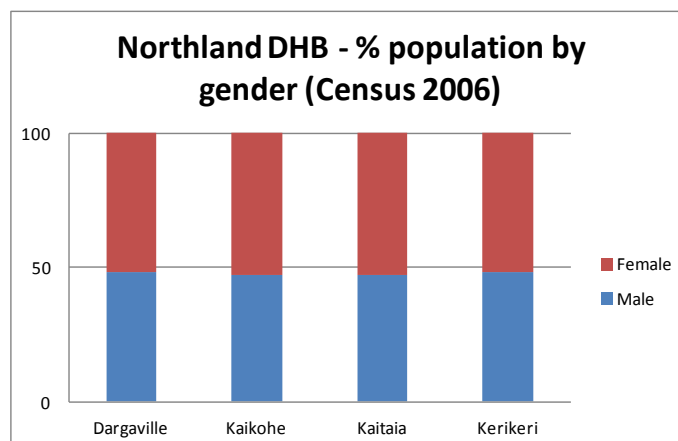

## Comparison of Specific Independent Urban Areas Within Three District Health Boards – Figures only

- 
- Figure 21 - Waikato DHB Renal Disease per 100,000 populations (2005 -2009)
- Figure 22 - Renal Disease per 100,000 populations (2005 -2009) for Matamata, Te Kuiti, Tokoroa and Waihi
- Figure 23 - Waikato DHB Renal Disease per 100,000 populations (2005 -2009)
- Figure 24 - Respiratory Disease per 100,000 populations (2005 -2009) for Matamata, Te Kuiti, Tokoroa and Waihi
- Figure 25 - Southern DHB - % population by Age (Census 2006) for Alexandra, Cromwell, Gore and Te Anau
- Figure 26 - Southern DHB - % population by Gender (Census 2006) for Alexandra, Cromwell, Gore and Te Anau
- Figure 27 - Southern DHB - % population by Ethnicity (Census 2006) for Alexandra, Cromwell, Gore and Te Anau
- Figure 28 - Southern DHB - % population by Deprivation Score (Census 2006) for Alexandra, Cromwell, Gore and Te Anau
- Figure 29 - Southern DHB Cardiovascular Disease per 100,000 populations (2005 -2009)
- Figure 30 - Cardiovascular Disease per 100,000 populations (2005 -2009) for Alexandra, Cromwell, Gore and Te Anau
- Figure 31 - Southern DHB Malignant Disease per 100,000 populations (2005 - 2009)
- Figure 32 - Malignant Disease per 100,000 populations (2005 - 2009) for Alexandra, Cromwell, Gore and Te Anau
- Figure 33 - Southern DHB Renal Disease per 100,000 populations (2005 - 2009)
- Figure 34 - Renal Disease per 100,000 populations (2005 - 2009) for Alexandra, Cromwell, Gore and Te Anau
- Figure 35 - Southern DHB Respiratory Disease per 100,000 populations (2005 - 2009)
- Figure 36 - Respiratory Disease per 100,000 populations (2005 - 2009) for Alexandra, Cromwell, Gore and Te Anau

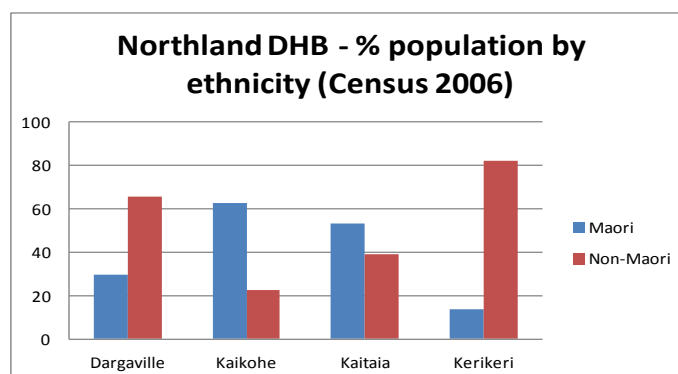

**Figure 1 - Northland DHB - % population by age (Census 2006) for Dargaville, Kaikohe, Kaitaia and Kerikeri**

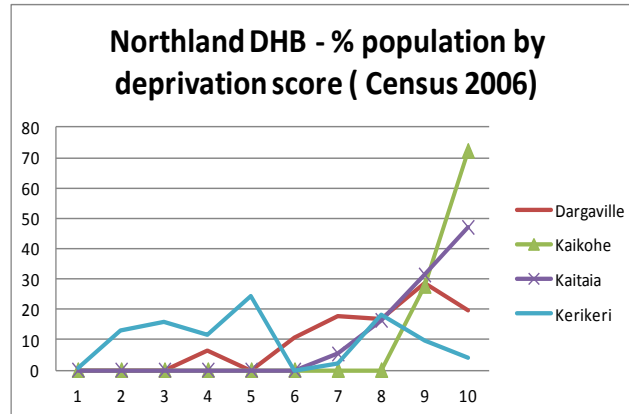

**Figure 2 - Northland DHB - % population by gender (Census 2006) for Dargaville, Kaikohe, Kaitaia and Kerikeri**

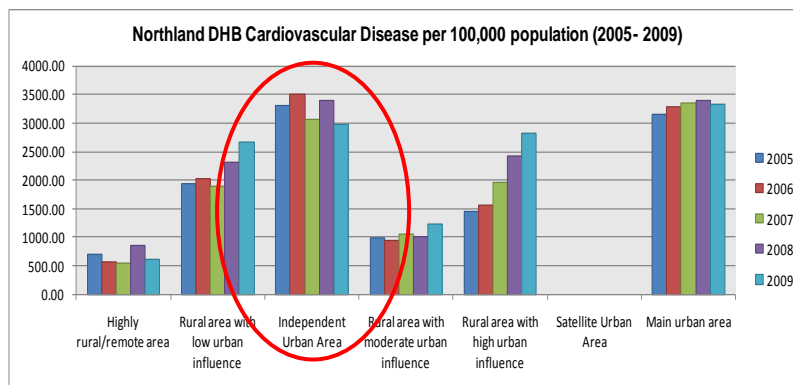

**Figure 3 - Northland DHB - % population by ethnicity (Census 2006) for Dargaville, Kaikohe, Kaitaia and Kerikeri**

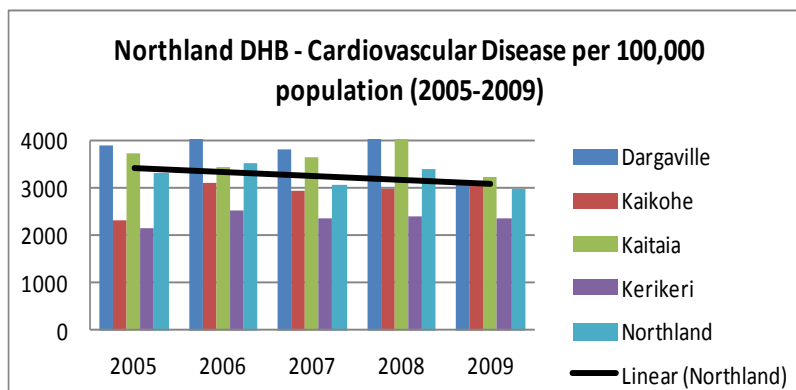

**Figure 4 - Northland DHB - % population by Deprivation Score (Census 2006) for Dargaville, Kaikohe, Kaitaia and Kerikeri<sup>1</sup>**

**Figure 5 - Northland DHB Cardiovascular Disease per 100,000 populations (2005 -2009)**

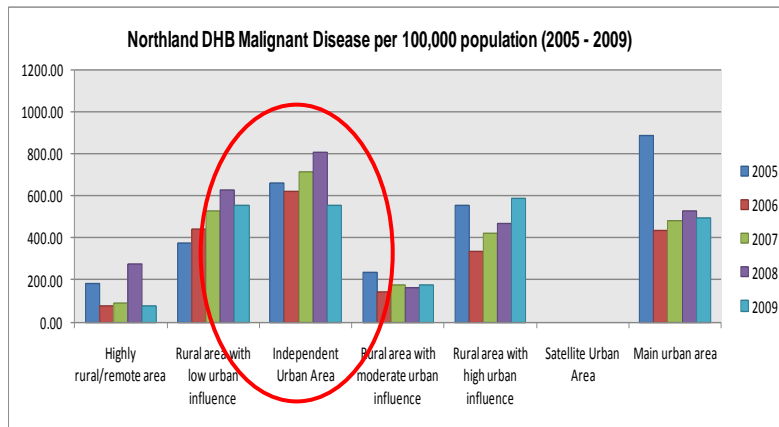

**Figure 6 - Northland DHB Cardiovascular Disease per 100,000 populations (2005 -2009) for Dargaville, Kaikohe, Kaitaia and Kerikeri**
